Om detta objekt

Chalet with a patio for six people

The 44 m² air conditioned chalet with a patio and a pool is located outside of Camaret-sur-Aigues - at the heart of Provence in the beautiful wine growing region of Côte du Rhône.

The chalet boasts a beautiful living room with an open plan, well equipped kitchen, a bedroom and a child's room and a modern bathroom. The living room is furnished with a round table and six chairs, a coffee table and a sofa bed that can comfortably accommodate two people. There is also an 80 cm LCD TV with a PS3. The master bedroom is furnished with a 160 x 200 cm bed and a closet with sliding doors; the small bedroom is furnished with a bunk bed for two (90 x 190 cm). The bathroom boasts a semi-circular shower cabin with massage jets; the kitchen unit is furnished with a small dishwasher, a four burner gas stove, an oven, a microwave/grill, a coffee maker, a toaster and a kettle. The air conditioning unit ensures a comfortable room temperature all year (heating/cooling). The chalet was only completed in 2015.

Outside you can enjoy a cosy, private patio furnished with a sun shade, a barbecue and seating accommodation for six people. There is also a pool, furnished with sun loungers.

The owner lives in a house next to the chalet; the property is fenced in and houses the community pool (depth 1.40 m). Breakfast service or fresh bread delivery is available upon request. Extra beds (90 x 200 cm) and children's cots are available upon request. There is a monkey bar with swings for the little ones. Wi-Fi is also available and included in the rental price. Plenty of free parking is available.

The owner will happily advise you on interesting places to visit. The cities of Orange or Vaison la Romaine and Avignon with the famous bridge are definitely worth a visit. It is also not far to Mont Ventoux. The people here call him "the giant of Provence" and with its snow-capped peak will remind you of Mount Kilimandjaro. Bicycle rental is available. It is 2 km to the Aigues River, where you can try to catch some fish. Nearly every town has caves, where you can taste the famous, delicious wine.
